

Procedures for PrimeSource Employee Injuries

Please follow this process:

If a life threatening emergency: Call 911

If **not** a life threatening injury:

- 1) Contact Stephani Ferguson or Michelle Donnel at (303)869-2990
- 2) Call MedCor 1-(800)775-5866 and follow their instructions

Please provide any information & documentation you have regarding the injury, witness or accident to the MedCor operator. After an accident occurs, we will immediately conduct an onsite safety investigation and take pictures of the job being performed at the time of injury.
